

One Story:  
Through the Bible  
in One Year

It is my pleasure to welcome you to “One Story” the reading through of the Bible in one year. This plan is designed as a journey of spiritual growth and just for the purpose of reading the Bible. This method of growth happens when a person opens up their heart and mind to what God is saying to them through Scripture followed by writing in a journal. The acronym for the journal method used for this “university” is SOAP.

**S** – Scripture  
**O** – Observation  
**A** – Application  
**P** – Prayer

It is through deliberately seeking to hear God that we will hear. It is through setting time aside that we will find God is there waiting. It is through making a conscious effort to seek after and live in the Kingdom of God that we will find its existence.

It is exciting to know that there are “others on the journey” who are also interested in hearing God more clearly. It is my prayer that all who engage in this reading plan will find that their walk with God is becoming more meaningful and more lived out in the world. If you have any concerns or questions while reading the Scripture or writing in your journal, please contact me.

Blessings,  
Pastor Kevin

## Daily Reading Plan

- Set aside time every day to listen to the Holy Spirit (45 min-1 hr).
- Pray and ask the Holy Spirit to "highlight" some portion of your scripture reading for that day. This will be the verse that "jumps off" the page for you.
- Read both the daily Old and New Testament readings assigned for that day.
- Do journal writing each day. In your journal write out the following:

**S** – Scripture: This will be the one verse that the Holy Spirit "highlighted" for you as you read.

**O** – Observation: Jot down what you observe about this verse within its biblical context.

**A** – Application: Write down any "take homes" or personal applications.

Where does this verse touch your life?

**P** – Prayer: Close your time with a prayer asking God to make this learning come alive in your life.
